

Step into a world where legends come to life through larger-than-life sculptures inspired by mythical creatures from folklore and fantasy. From soaring dragons to elusive unicorns, Mythical Creatures transforms outdoor spaces into immersive environments filled with wonder, discovery, and imagination. Designed to spark curiosity for visitors of all ages, this enchanting experience invites guests to explore the magic hidden within stories passed down for generations.

Themes

Inspired by myths, legends, and storytelling traditions from around the world, Mythical Creatures explores how fantasy beings have shaped cultures, inspired imaginations, and helped people make sense of the unknown. Through immersive sculpture, art, and interactive exploration, visitors are encouraged to discover the themes, symbolism, and shared human stories behind these legendary creatures while reflecting on the enduring role imagination plays in how we connect with the world around us.
